

*Nachtigal, at the heart of Cameroon's sustainable development*

**World Bank's Administrator for Cameroon visits Nachtigal's construction site**

**Nachtigal's project's progress highlighted**

On a working visit in Cameroon, Abdoul Salam BELLO, World Bank's Administrator for the Group Africa II, which includes Cameroon, visited the Nachtigal hydroelectric facility on the 20<sup>th</sup> of August 2024. He was accompanied by colleagues from the World Bank and the Ministry of the Economy, Planning and Regional Development.

During his visit led by NHPC's Deputy Managing Director, he was able to witness the progress of the Nachtigal project, completed at 95.8% at the end of July.

It was also an opportunity for NHPC to present the company's strong environmental and social ambition, implemented in accordance with the best international standards and IFC's performance standards on environmental and social sustainability.
