Scholarships to make higher education more accessible

On 28 February 2025, NHPC awarded university scholarships to the 10 best high school graduates in the Nachtigal project area in a ceremony held at the Nachtigal Public Information Centre. The event was attended by administrative authorities of the Nachtigal project area, headmasters and directors of the successful candidates' schools, as well as their parents.

This initiative, which aims to facilitate access to higher education for these prizewinners, is one of NHPC's actions to promote local economic development in the Nachtigal project area. Translated with DeepL.com (free version)

CFAF 2,000,000 awarded to each graduate

A cheque worth CFAF 2,000,000 was handed to each graduate. This amount includes:

- 1 laptop computer;
- university board and lodging, transport and food expenses for every graduate over 3 years.

By means of this initiative, Through this initiative, NHPC is hoping to inspire students in the Nachtigal project area to excel in their academic careers.
