### Implementation of the ESMP deemed satisfactory

Within the framework of the partnership agreement signed between NHPC and the Minister for the Environment, Nature Protection and Sustainable Development (MINEPDED) in January 2023, a mission to monitor the effectiveness of the implementation of the Environmental and Social Management Plan (ESMP) for the Nachtigal project was carried out by MINEPDED in October 2024. The results of this mission were presented at a meeting chaired by the Centre Region's Governor on 27 February 2025 at the Starland Hotel in Yaounde.

### About the Nachtigal project's ESMP

The Environmental and Social Management Plan (ESMP) of the Nachtigal project is a framework document that outlines and plans the implementation of measures to manage the environmental and social impacts identified in the Environmental and Social Impact Assessment (ESIA) of the Nachtigal project, previously approved by MINEPDED.

It brings together a set of plans designed to protect the environment and improve living conditions of neighbouring communities. This is done in accordance with national and international standards, both by NHPC as project owner of the Nachtigal project, and by the companies working on the Nachtigal construction site.
