NHPC celebrates academic excellence in the Nachtigal project area

77 students rewarded for their academic performances

As part of the third edition of its school excellence program, NHPC rewarded 77 students from schools of Batchenga, Ebebda, Obala, Mbandjock, Ntui and Sa'a on the 14th of November 2025.

The ceremony took place at the Nachtigal Camp in Batchenga in the presence of Claire Gall, NHPC's Managing Director, the representative the Lékié Divisional officer, administrative and traditional authorities from the Nachtigal project area, as well as school principals and parents of the winning students.

Among the 77 rewarded :

- 67 received a 150,000 CFA franc prize each
- 10 high school graduates received a 2,000,000 CFA franc university scholarship, including a laptop computer and coverage of their board and lodging, travel and catering expenses for three years.

A program to inspire youth

Committed to contribute to the socio-economic development of the Nachtigal project area, NHPC has actively engaged in promoting quality education. Launched in 2023, its academic excellence program has already benefited more than 90 students and aims to encourage academic excellence.

Through this edition, NHPC reaffirms its commitment to support education and hopes to inspire youth of the Nachtigal project area to give their best, convinced that they represent the future of their communities.

Some images of the prize-giving ceremony

«I sincerely thank NHPC for this University scholarship. It will not only encourage me to do my best in my studies, but it will also reduce my parents' financial burdens for three years.»

Prize-winning bachelor's graduate, Ntui
